Deputy Director of Training (Special) 17 September 1953

Chief, Advanced Training Division

Weekly Activity Report # 37
8 - 15 September 1953

I. NEW ACTIVITIES

A meeting of all the Headquarters instructors of the Advanced Training Division has been held to discuss a number of broad problems facing the Division. This meeting was something of an innovation and was well received by the instructors. It is believed that staff conferences of this kind will have a good effect on both efficiency and morale. The primary topic discussed was the matter of student evaluations but this discussion represented only a beginning of an approach to the problem. Some of the chief instructors are pretty much at a loss as to how to proceed but it is believed that some concrete procedures can be developed before long.
